Lorena,

I would like to know who in the SPPOA would be most appropriate to report a conflict of interest of a board member to. The issues i have brought to your attention regarding the president have been dismissed by you and have not been address in any meaningful way.

I also want the contact info for someone that I can discuses my proposed changes to the BID with. Let me know who is running the committee that is responsible for the renewal process. Based on your shifty and disingenuous handing of the noise issues for the public events you have overseen, you should understand why I do not want to deal with you.
